2 DCDEE credit hours / .2 CEU

Penny Briggs, Quality Child Care Coordinator, Madison County Smart Start

Tuesday, Nov 17th 6:00 – 8:00 pm In-person (Mars Hill University)

Blocks, there are all kinds of shapes and sizes and there are things we must have in the block area. What else can I do in the Block center? As teachers we want to make it interesting but how do we do that and still fulfill the requirements for licensing as well as ECERS-3 and the other standards that we have to meet. Come play with us as we learn some strategies for enhancing the Block center and making it fun for you and the children in your classroom.
